

**BROCKVILLE SQUADRON
NEEDS YOUR HELP!
June 24, 25, 26, 2022**

<https://www.tallshipsbrockville.com/>

Once again just like in 2019, the Brockville Power and Sail Squadron is participating in the 2022 Brockville Tall Ships Festival Friday, June 24th to Sunday June 26th, 2022.

The Brockville Power and Sail Squadron has been planning this event for a few months now and we secured a great location for our Display Tent where we will greet all the visitors before they enter the site.

Our Mission at the Festival is to promote our vision that we are a committed community of experienced boaters inspiring others to adopt a safe boating attitude through education and training. We depend on volunteers of all ages, levels of experience and skill to assist us. By participating you will ultimately enjoy your interactions with other volunteers, members, boaters, and the public.

The Brockville Power and Sail Squadron has taken the lead in this event, but we will be also representing the CPS-ECP Rideau District and its two other Squadrons Kingston and Ottawa.

To start our Squadron Educational Officer David Allester who is also the District Educational Officer has created a very comprehensive handout of our Courses across the District as well as all online courses across Canada.

An information package will be provided to the volunteers to answer most questions that might be asked by the public from our 2019 experience.

If you are planning to volunteer or have questions/concerns, please contact our Brockville Squadron Tall Ships Chair Guy A. Ladouceur at dmo-rideau@cps-ecp.org. Have a look at the proposed schedule!

TALL SHIP EVENT – BROCKVILLE SQUADRON - VOLUNTEERS

DATE & TIME	VOLUNTEER	VOLUNTEER
FRI – JUN 24		
1400-1600 <i>SPOT A1</i>	1 - Organizing Committee 2 - Organizing Committee	2 – Marjorie Ladouceur 3 - Guy Ladouceur

1500-1800 <i>SPOT C4</i>	1 - Organizing Committee 2 – Organizing Committee	3 – Marjorie Ladouceur 4 – Guy Ladouceur

What if it rains? *(From City of Brockville Organizer)*

The ships will be here rain or shine. This festival will take place rain or shine. Our ship crews aren't afraid of a little water, and we aren't either! Deck tours will be available even if it is pouring.

All sail outs will still take place if it is raining unless the weather is so severe that it is unsafe to go out.

The 2022 Brockville Power and Sail Squadron Organizing Committee and Commander Ida Duc would greatly appreciate if you found a few hours to assist us meeting the public and spreading the good information on our Organization CPS-ECP possibly to attract students and possible members. In 2019, we attracted a few students, and one became a member and a very active Excom member of the Ottawa Squadron. Let's try to do the same for every Squadron this year. Our visitors are from our District and vicinity. We have a chance to grow our numbers, let's work together!

As well as meeting members and visitors at our Booth, we will also be conducting **Recreational Vessel Courtesy Checks** during the Festival. David Allester d.allester53@gmail.com will be the Brockville Power and Sail Squadron contact person for the checks. We will be advertising to the local boaters in Tunnel Bay within the Festival grounds or signing them up at Booth. You want to help but have never been trained, not a problem David Allester d.allester53@gmail.com can have you ready to meet boaters before the start of the festival. David is waiting for your e-mail! David will provide you with all you the information you need!

So, you decided to volunteer by contacting Dave (RVCC) or Guy (Booth), thank you! At the booth we will provide you with the tables, chairs, and water. You will have lots of handouts and many visitors wanting to get some information about CPS-ECP or your Squadron! We would ask that you wear CPS-ECP Casual. Please wear any CPS-ECP, Brockville, Kingston, or Ottawa Regalia. If you have a Brockville Hat from the 2019 Festival bring it! We will provide you with a Name Tag.

Okay for the WIIFM question now, "**What's In It For Me**". Well, a nice drive to Brockville to start your day, a few hours working the booth with like minded volunteers, dealing with information seeking visitors and once you are done volunteering, you can go into the Festival. Also, we will hold a draw for volunteers for two SAIL OUT tickets for two aboard the Empire Sandy for Saturday, June 25, 2022 at 8:00 PM as well as on Sunday, June 26, 2022 at 6:00 PM. The draw will be done on June 17, 2022, from volunteers who want to go for a beautiful evening sail.

We plan for a great time for all our volunteers and a rewarding experience. Please book with Guy dmo-rideau@cps-ecp.org to pick a SPOT # and register to be an RVCC volunteer with David d.allester53@gmail.com. Please let us know that your intentions by Thursday, June 16, 2022, at 6:00 PM.

Thank you for taking the time to read our request for help and hoping that we will see you in Brockville as a volunteer or even visit the Festival but drop in to see us!

Have a great, safe boating season,

Guy A. Ladouceur, P/D/C
Brockville Squadron Tall Ships Festival Chair
